

REMARKS

Claims 1-36 remain pending in the application, with claims 1, 21, 32, 33, 35 and 36 being the independent claims. Reconsideration and further examination are respectfully requested.

Applicants' attorney thanks the Examiner for the telephone call on February 6, 2007. During that telephone call, the Examiner and Applicants' attorney discussed certain changes to clarify the claim language. At the Examiner's request, this Supplemental Amendment is being filed to effect those changes. No change in scope is intended. Based on the amendments set forth above, the entire application is believed to be in condition for allowance, and an indication to that effect is respectfully requested.
